# A NIGHTMARE ON TECH STREET

SEMINAR SERIES

**Sleep better at night knowing  
your data is safeguarded.**

Fisher's Fright Factory: 575 E 42nd St Boise, ID 83714

**OCTOBER 25TH 11AM-1:30PM**

SEMINAR RATING KEY:  
**PG-13** All Audiences

**11:00AM-12:00PM**

**PG-13**

## FIRST SEMINAR

**JUSTIN STUCK**, *Commercial Account Manager of Cisco Systems, Inc.*

- Make sure there is nothing lingering in the shadows and sharing your business data
- Rid yourself of monsters in the conference room who keep cutting off communication to the outside world
- Expel the ghostly ghouls that are trying to access your network
- Keep your conversations inside the cobweb

**12:00PM-12:30PM**

**LUNCH**

**12:30PM-1:30PM**

**PG-13**

## SECOND SEMINAR

**DELLAS WALDO AND DUSTIN GRANT** of *Waldo Agencies*

- How exposed might your business truly be to cyber-goblins
- Find out the mayhem that occurs when your business has been breached and comes to a painful standstill
- Dispel myths and phobias related to cyber-insurance coverage
- Illuminate the cyber-exposures that are commonly covered before the massacre
