

# DEMYSTIFYING IT SECURITY

*It can be a breach*

LIVE WEBINAR Tuesday, 09/28

**KENNY RENCHER**  
Engineering/ Support Director

**ZACK WHITE**  
IT Director

**LISA WHITWELL**  
IT Sales Director

*This practical webinar is breaking down where threats come from and simplifying IT security into the "necessities" for data and cyber protection.*

## DETAILS

IT Security can feel a little cringeworthy at times, because although it's important, there's way too much information out there to sort through. Join us as Fisher's IT leaders break down what your business needs to know about security as we discuss these core topics:

### BREAKING DOWN IT SECURITY

- 1 MISCONCEPTIONS
- 2 THREAT SOURCES
- 3 SECURITY NECESSITIES
- 4 PROACTIVE PROTOCOLS
- 5 FUTURE THREATS

# 09.28.21
