FOR IMMEDIATE RELEASE

**VLCM MANAGED PRINT SERVICES DIVISION IN SALT LAKE CITY, UT WILL BE ACQUIRED
BY FISHER'S TECHNOLOGY ON SEPTEMBER 1, 2022**

September 1, 2022 – Fisher's Technology, #1 Office Equipment provider as voted by the Idaho Business Review, is excited to announce its expansion into the state of Utah. VLCM's Managed Print Services business will be acquired by Fisher's Technology as of September 1st, while VLCM will retain all other areas of business including cybersecurity, data center, BU/DR, virtualization, hybrid cloud, networking, Microsoft, UC, audio/visual, and professional services.

Fisher's Technology, who has been providing office equipment services in Idaho for over 86 years, has locations throughout the state of Idaho, Montana and in eastern Washington. Fisher's will operate out of VLCM's Utah location (864 E. Arrowhead Lane, Salt Lake City, UT 84107) until Fisher's finds a new location in the Salt Lake City area. VLCM's Managed Print Services will be rebranded to Fisher's Technology September 2022.

"Fisher's is extremely excited to welcome the VLCM print team to ours and to leverage their legacy in Salt Lake City and St. George as we launch into Utah. The VLCM print team is such a great cultural fit for Fisher's as they are amazing people who love working together and they are 100% committed to delivering an exceptional customer experience. We have wanted to serve Utah for a long time, and we could not have selected a better starting point with a team of high performing people." states, Chris Taylor, Fisher's CEO.

Mike Linton, VLCM's CEO, explains, "We wanted to find an exceptional partner that would take care of our managed print customers and keep the VLCM print team together. We did a very thorough evaluation of several potential candidates and unanimously agreed that Fisher's was a fantastic organization that would provide the type of outstanding service and support that VLCM's Managed Print Services customers deserve moving forward. It was also obvious that there was a clear connection with culture and commitment to excellence between the two organizations."
